

Women's Giving Circle of Dunn County Grant Process

Application Process

Applications will be available through the Community Foundation of Dunn County's website www.cfdunncounty.org, by calling 715.232.8019, or by emailing grants@cfdunncounty.org.

Applicants must please submit (5) final hard copies of the grant application narrative and grant project budget (describing how this particular grant will be spent), and (1) hard copy of each of the supporting documents (listed below). Application materials can be hand delivered or mailed to the Women's Giving Circle of Dunn County - Community Foundation of Dunn County, 500 Main St, Suite 322, P.O. Box 498, Menomonie, WI 54751.

Applicants must also submit an electronic, emailed version of the application and supporting documents, which can be sent to grants@cfdunncounty.org. This is to accommodate committee members who prefer to review applications online as well as those who prefer to review them in printed form. Thank you for your help in that effort.

Supporting Documents:

In addition to the application, we require the following supporting documents:

- Letter or certificate indicating 501(c)(3) and 170(b)(1)(A) tax status from the Internal Revenue Service.
- Most recent CPA Audit Report or Financial Report
- Current year operating budget including revenue and expenses.
- List of current Board of Directors or equivalent governing body members.
- Letters of support are required if another organization or individual is integral to the completion of the project and/or is a fiscal sponsor.

Deadline: The annual grant deadline will vary by year, but will always be in the summer, typically June, with the grants being awarded in Aug/September. Visit www.cfdunncounty.org for the most current grant deadline date. Any application not received by the posted deadline will be held and considered for the following year.

Decision Process: All grant applications will be reviewed by the members of the grants committee of the WGC. They make a recommendation to the WGC board members, who will hold a final vote. All applicants will be notified of the decision by September, and the **oddslot** funds will be available for use between September and August of the following year. The awards will be announced publicly in October at a Women's Giving Circle fall dinner event.

Follow-up Requirements: We require that recipients include the following statement in all material related to their funded project: *"Support for this project was provided by the Women's Giving Circle of Dunn County, a fund of the Community Foundation of Dunn County."*

Our logo is available upon request and should be used where appropriate. Recipients are also asked to document their program with photographs, which should be submitted along with copies of any press releases, media coverage, or articles in your newsletter. **The final report is due within 30 days of project completion or one year from the award date, whichever comes first.**

The Grant Report Form can be found at www.cfdunncounty.org or you can request a form by emailing grants@cfduccounty.org.

Reapplying for Grants: If an organization receives funding, they will only qualify the following year if the following conditions have been met:
