

FIELD OF INTEREST FUNDS

Address a cause you care about most.

Arts. Education. Health. You choose.

By establishing a [Field of Interest Fund](#), you can directly support specific community needs.

WHY OPEN A FIELD OF INTEREST FUND

Our board awards grants to community organizations and programs that are making a difference in the area you select. While you direct the Field of Interest Fund you establish from its creation, the maintenance is left up to us.

Our professional program staff continually monitors changing community needs so that you can be sure grants made in the name of the fund make the most impact in your field of interest and create your personal legacy of giving.

You can add any amount to the Field of Interest Fund you establish at any time—and so can others who share your interests in community. If you endow your gift, it becomes a permanent community funding resource.

You can establish a fund today and make grant recommendations now or in the future. And if you endow your gift, it becomes a permanent community funding resource.

A PERSONAL MISSION

A lifelong resident of Menomonie, Marshall W. Hagen passed away early in 2010 at the age of 98. There were probably only a handful of people that knew of his intentions and his generosity.

Upon his passing, the Community Foundation of Dunn County established the [Marshall W. Hagen Memorial Fund](#) as a result of his bequest.

This Field of Interest Fund was established to support area health organizations whose work and mission helps improve the lives of [community members living with cancer](#).

HOW IT WORKS

- You identify an area of personal interest as broad or narrow as you wish.
- You make a gift to your community foundation during your lifetime or through a bequest in your will. You can give cash, appreciated stocks, real estate, or other assets.
- We set up a special fund in your name, in the name of your family or business, or in honor of any person or organization you choose.
- You receive tax benefits in the year your gift is made.
- Our professional program staff evaluates needs in your area of interest that would be most impacted by grants from your gift.
- Our board issues grants in the name of the fund you establish (if you prefer, grants can be made anonymously).
- We handle all the administrative details.
- Your gift can be placed into an endowment that is invested over time. Earnings from your fund are used to make grants addressing community needs. Your gift—and all future earnings from your gift—is a permanent source of community capital, helping to do good work forever.
